FAQs
Q: Is anything not covered by the warranty?
A: Our warranty covers defects in materials and workmanship. It doesn't cover nuclear war, acts of God, and particularly tenacious dogs (who will also destroy your dining room furniture and floorboards).

Q: How do I prove my purchase date?
A: Keep your purchase receipt. Registering your product with us after installation also helps document the start date of your warranty.

Q: Can the warranty be transferred to new homeowners?
A: Absolutely. Our warranty is transferable to new homeowners, adding value to your property.

Q: What does "repair or replace" mean?
A: It means if any part of your pool fence fails, we will either fix it or provide a new replacement part at no cost to you.
